

IMMIGRATION PHYSICAL

\$250 Fee

Includes: Review of medical history, vaccine records, laboratory results, physical exam and completing the form I-693.

On the date of your appointment please bring identification and vaccine records.

- Accepted forms of Identification
 - Passport
 - Government Issued ID
 - Visa containing alien/USCIS number.

At your initial appointment, Dr. Ailani will review your medical history, vaccination records, perform a physical exam, and order any necessary lab testing. Once the result of any testing is received, we will call you to pick up a copy of your paperwork. You will also receive a sealed official report for submission.

- Required Vaccines
 - Tetanus – TDAP
 - Measles, Mumps, Rubella – MMR (needs 2 doses for complete series)
 - Varicella (chicken pox needs 2 doses for complete series, or history of disease)
 - Hepatitis B (0-59)
 - Influenza
 - Covid Vaccine (completed series – both shots for Pfizer and Moderna; one shot if J&J)
- Required Labs
 - TB QuantiFERON Gold Blood Test
 - If positive a chest x-ray will be required. (If the chest X-ray shows active TB lesion(s) or suspicious finding(s), the applicant is mandatorily referred to county health department for further evaluation/treatment. If applicant is pregnant, Chest x-ray is still required, or you could delay the x ray and completing the I-693 until after delivery.)
 - Syphilis RPR Blood Test
 - Gonorrhea Urine Test

Please call the office if you have any questions at 386-423-0505.
